# Modeling Formation

*Sample Stage (Subject to Change)*

## **0—2 Contestants:**

Chaperones will model their contestants (see rule below). We recommend turning your baby around at the front X so the judges can see the back of their outfit/hair/etc. Your baby can walk or be carried! It's your choice! Show off your baby, but remember....**NO COACHING YOUR BABY ONSTAGE!** You can quietly speak to them, but you should not coach them to dance, blow kisses etc.

Audience members can cheer for every contestant, but **NO COACHING** from the audience either!

## **3 and up Contestants:**

Smile big! Don't forget eye contact with the judges! Don't go too fast or too slow! We prefer a nice, natural model! Contestants are free (not required) to do a step-step-turn or circle turn at the front X. We are a natural system and want natural modeling! **AVOID** sassy walks, hands-on hips, kissy faces, etc.

## **Group Line Up**

For Casual Wear and Pageant Dress, each age division will model individually. After everyone has modeled in that age group, the entire age group will go back on stage for a group line up. We will most likely ask the group to turn around once to see back of outfits/hair/etc.

## **Grand Finals Information**

For finals, we will do a parade of beauties for each group and then a final group lineup. During each group lineup for ages 3 and up we will ask an age-appropriate onstage question

Attending a preliminary pageant qualifies you for our state pageant in April 2024.

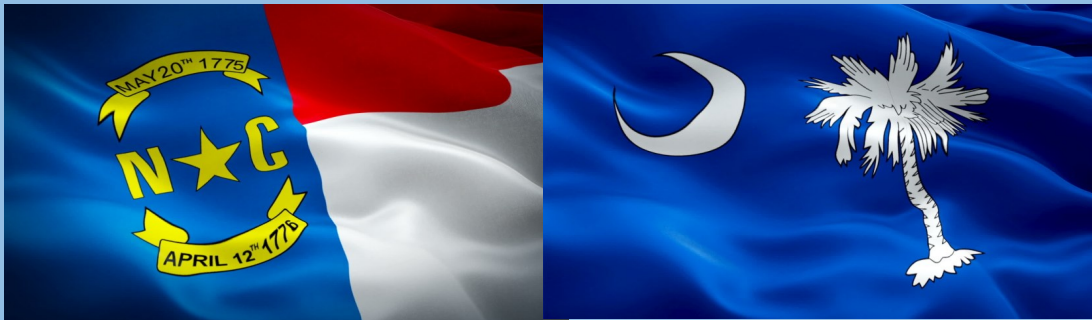

The Preliminary Winner and First Alternate in each division is required to move on to the state pageant. We encourage all contestants to enter the state pageant to represent their hometown at the state pageant.

**Our Little is Miss is a 3 tier system**
